all dialog where rule are spelled out as they go along -- that way you can gave generation fight in that
chief crits fuzzy old rituals

strt w the ritual argument
weh witch d put down his feathers etc
and chief his robe
gasp at color of his skin and fat
smells of dirt
how he formerlyglistened in white robe
Lahnowah the beacon that French built
on coast
chief brags : univ of Texas at El Paso!

flashb how he started eating big macs
for status

big macs = Large name of american person cow between bread
how I explained chlorestal
the caves and thee smallcaves of MahRahmur

wives came and I had to satisfy them as the tradition demands
and I'm a n old man. It was easier with some than others.
At funeral I will refuse to help bear your body,
and will say no words. Too much insult to Gods.

don't backflash--have come out in argument.

at end horrible colored milkshakes are brought to chief etc
